A ten-minute tour

Six stops, a minute or two each. Everything in the demo is made up, so try things freely. Use the menu on the left to move around.

01 Your studio at a glance

Where: Home

- Change the period at the top right.
- Click **Owed to you** to see the invoices behind the figure.

02 The week and the registers

Where: Schedule

- Open the Ukulele group on Tuesday.
- Mark who came. **Excused** gives the family a make-up lesson.

03 Teach from a lesson plan

Where: Schedule, the Ukulele group on Tuesday: the Lesson plan card at the top

- Press **Open** next to Ruan V.
- Print this lesson for the music stand.
- Press **Mark done**: Ruan moves on to Week 5.

04 A whole lesson, ready to teach

Where: opens from the lesson plan

- See the chord pictures and the five doors: Hear it, Sing it, Play it, Make it, Share it.
- Scroll down to the Home card for practice at home.

These lessons are a Term 1 sample of the Ukulele Level 1 add-on, from the JLS Music Ukulele Curriculum Pack.

05 How far each learner is

Where: People, then Students, then Ruan V.

- See how many lessons are done and the next one.
- **Undo** takes back the last tick.

06 Invoices and payments

Where: Invoices, then any invoice

- Record a payment and watch the balance change.
- Press **PDF** for a tidy invoice (stamped DEMO in this copy).
- **Export for accountant** makes one Excel workbook.

✓ When you have seen enough

Close the program. Nothing of the practice studio is kept, and it opens fresh next time. The full program for your own studio is at www.jlsmusic.co.za/music-studio.html

Tell us what you think, or what you would want it to do: **sales@jlsmusic.co.za**
